## Fall General Meeting and Election of Board Members

October 25, 7:30 p.m.

Almaden Country School (corner of Trinidad and Akio)

The primary business at the Fall General Meeting is the election of the Shadow Brook Board of Directors for the next year. We encourage all members to complete your proxy and attend the meeting so you can select next year's board. Biographies of the six board candidates are as follows.

### Monique Bosomworth

I have spent the last year learning what it takes to run a successful pool environment. I am able and willing to put in another year to see some of the changes take shape as well as complete others that didn't have time to happen. I think fresh continuity is important on a board like ours. I also think teamwork is very important.

I have been fortunate enough to be a stay at home mom with my 2 boys (16 and 12) for the last 9 years. Since then I have been on board positions at Graystone and have spent many hours volunteering and heading up various projects at Graystone, Bret Harte and Bellarmine.

### Tom Chester

Tom Chester and his family have lived in Shadow Brook for the past 11 years. Tom has been involved in high tech. for nearly 30 years and currently works for ActivCard, Denise is Vice Principal at Los Gatos Christian School. Denise has worked on the Welcome Committee of Shadow Brook, and Tom has been active on several boards in past years. With experience in Communications Tom looks forward to keeping everyone up to date on what is happening in our neighborhood, and representing the families of Shadow Brook.

### Doug Newton

My family and I have lived in Shadow Brook since 1998. I have four children, three of which participate on the Shark's swim team. I have a Bachelor of Science degree in accounting and have held a number of senior accounting positions at multiple high tech companies in the Bay Area over the past 20 years. I welcome the opportunity to serve as member of the Shadow Brook Board. and contribute to the continued well being of our neighborhood.

### Patrick Smith

I believe the Board's primary responsibilities are preserving appearance of the neighborhood *and* home values, successfully conducting business affairs of the Association with integrity and balancing individual needs while maintaining the community's interest.

The core responsibilities of the Board require board members to listen, be accessible and most importantly, understand the powers of the board while realizing its limitations. I believe my background in business, public affairs and community involvement qualifies me to be a member of the Shadow Brook Board of Directors.

### Jody Tempel

My name is Jody Tempel. I have held the position of V.P. Social for the past 2 years and I have really enjoyed it. My favorite part of being on the Board has been getting to know so many of you and spending time with you and your families at the various events we have at the pool. I really enjoy volunteering my time on our neighborhood Board and would love to continue. Thank You!

### Rodney Whitefield

Rodney is presently secretary of the Shadow Brook Swim Club, and was previously Splasher editor for two years. He has been a member of the Shadow Brook Board for three years. Rodney is a Ph.D. physicist who is retired from IBM. Rodney and Rose have lived in Shadow Brook for 18 years. Rodney believes that homeowners should continue to have all their present freedoms in how they use their property.
