Business Recommendation:

I wanted to mention the folks at **Computer Business Services** - A friendly, neighborhood business located at 6472 Camden Avenue, near Country Inn Restaurant. Although their services include graphic design, printing, and direct marketing, they copy our own *Splasher* every month. They have always been responsive, efficient, cost effective and a HUGE time saver. Contact owners Rick & Carol Guido at (408) 268-1990.
