NEWS FROM THE ACC

ACC August Walkdown Update

Based upon homeowner inputs at various meetings, it is clear that homeowners want to maintain a certain standard of appearance while balancing homeowner rights versus HOA enforcement.

In August, the ACC walked through the neighborhood looking at front yards. As noted in the Splasher, we were looking for specific things, not perfection, just yards that met **minimum standards**. A total of **29 homes** were found needing various amounts of work. **This is almost 10% of our neighborhood**. The city generally recognizes 20% as the threshold for a blighted neighborhood, while we are not there yet, this certainly suggests some work is needed.

Whether you are an old retired geezer like me, or a younger family with kids, your home represents a large share of your total worth. When you want to move, maybe because of job change, or retirement, you want to be able to sell quickly and at top market price. That is not the time to have your agent tell you the home nearby is run down and will likely reduce your price. So, we need to be constantly aware of what is going on around us and enforce our CCRs and policies, consistently and fairly, to encourage our neighbors to keep up their front yards. So, lets all work together to help fix this problem.

Recommend a Contactor!

Do you know a great handyman, contractor, gardner, etc? Let the rest of the neighborhood know. I will be making a page on the Shadow Brook website for contractors you like.
