Message From Your HOA Board

Shadow Brook Pool Update

On Thursday June 14, an incident occurred at the pool where two chemicals inadvertently came into contact with each other. The result was a reaction that produced a gas cloud that was initiated in the chemical storage area. The pool water was unaffected. The entire pool facility has been cleared by public health to open and deemed safe.

Was the pool water affected?

No, the water in both pools was not affected.

Are there any unresolved issues or safety concerns?

No, there are no open issues or safety concerns. All public agencies have inspected the facility and Shadow Brook is cleared for full use.

Why was the pool closed on Friday June 15?

Shadow Brook closed the pool to allow full inspection by all public agencies to ensure full safety compliance prior to reopening.

If you have further questions please feel free to email president@shadowbrook.org.

Thank You.

♂ Shadow Brook Shark Update ♀

It feels like we only just got in the water but spring training is over, school is out, and the competitive part of the season is more than well underway. With three dual meets already swum, the Sharks are well placed in League standings with a 2:1 win/loss, posting wins against Almaden and Crossgates, and a loss to Santa Teresa

The Sharks are having a great time out of the water as well with rally nights, treat days, team dinners, and fun filled Adventures. The team is looking forward to fun team outing to see the San Jose Giants! We’ve already taken in an Oakland A’s game, Raging Waters, and the Beach. We are eagerly anticipating the return of our Swim Team Sleepover at the pool. June 23rd will see our pool transformed once again into a tent city with a talent show, dinner, a movie, s’mores, and more for our swimmers and chaperones. The season is flying by and the end is coming all too quickly. It must be true what they say - time flies when you’re having fun!
