President’s Message by Meera Desai

Board Positions 2024: three Board positions are open in 2024: **President, VP Social, and Secretary**. We need three or more Members to step forward. Those of us who have served on the Board for the past few years will be available during all of 2024 to help out, answer questions, etc. The first step would be to send me an email so you can learn more about the position either via a phone call or email, president@shadowbrook.org.

I am looking forward to seeing everyone at the pool this Summer Season and best of luck to our Shadow Brook Sharks! Go Sharks!

Sharks need you!
The Sharks are looking for Stroke & Turn Officials for our home meets on May 27 and June 17. We’d love to have you for the whole season but these two home meets are critical. Please contact Katie and Valerie at shadowbrooksharks@gmail.com if you are interested.

City of San José Yard Trimming Guidelines and Rules by ACC

Spring is in full swing! As our gardens and yards bloom and grow, yard trimmings and refuse will increase (e.g., trimmed branches, grass clippings, leaves, flowers, etc.).

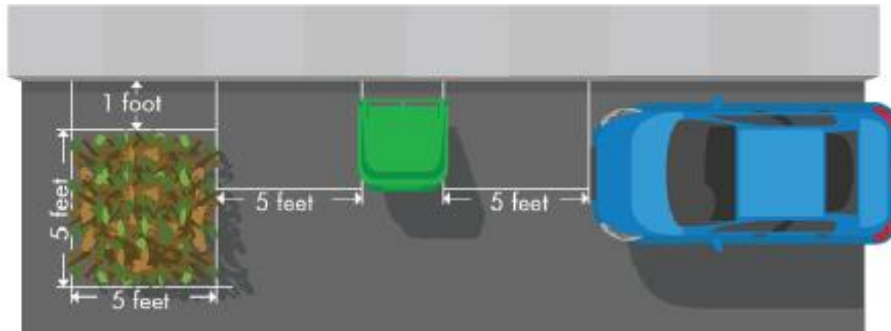

The City of San José offers two ways to collect yard trimmings:

- Place your yard trimmings loose in the street (no extra charge).
- Place in your optional yard trimmings cart for collection (for a fee).

Using a cart saves the homeowner from sweeping up after the trimmings are picked up from the street, you only handle the trimmings one time. This cart costs approximately \$5.00 per month and comes in three sizes (32, 64 and 96 gallons). Call GreenWaste Recovery at (408) 283-4800 to order a cart.

Please follow these simple guidelines when setting out your yard trimmings:

1. Piles should be less than 5 x 5 feet and be placed at least 1 foot from the curb and 5 feet from carts, cars, and additional piles.
2. Branches should be less than 5 feet long and smaller than 6 inches in diameter.
3. Yard trimmings carts and piles should be kept out of bike lanes and red curbed areas.
4. Per San Jose City Code, carts and/or piles should be set out no more than 24 hours before collection and no later than 6 AM on your collection day (Friday for our neighborhood).
5. Sweep up and remove yard trimmings that remain behind after collection; do not re-pile them. Residents can save trimmings for the next collection week or save for composting.
6. Remember to avoid parking on top of yard trimmings piles in the street and keep yard trimmings out of the garbage and recycling containers. This helps to prevent contamination of recyclables, especially paper.

For more information on yard trimmings and street sweeping, click on The City of San Jose website link below:

Thank you for maintaining our beautiful Shadow Brook Neighborhood!
